You are invited to an  
**Equity and Inclusion Listening Session**  
for the housing crisis response system

**WHAT:** Bucks County Department of Housing and Community Development (HCD) and the Bucks County Housing Link (BCHL) have hired Homebase to update its current strategic plan for addressing the housing crisis for people experiencing or at imminent risk of homelessness. As part of that effort, we are hosting a listening session to get feedback from you regarding diversity, equity, and inclusion efforts in Bucks County.

**WHERE:** The listening session will be conducted virtually. Community members can participate from their homes or office or join us at one of our hosted in-person sites. More information about the hosted sites will be shared at a later date.

**WHO:** Everyone is invited, from program and community leaders to front-line staff and people with lived experience of homelessness!!!
